

Help Celebrate Our Incredible Special Needs Community in the Canton, Michigan!

Night to Shine is an unforgettable prom experience dedicated to honoring individuals with special needs. Guests enjoy a red carpet entrance, limo rides, professional hair and makeup, photography, corsages and boutonnieres, a catered dinner, and so much more!

We want this night to be as extraordinary as the people we celebrate. You can help make it possible by contributing financially or donating goods and services. Every gift—large or small—directly supports creating an evening filled with joy, dignity, and lasting memories.

Any donation amount is appreciated! Money donated helps cover the cost of food, décor, equipment rentals, guest gifts, and other event essentials.

Thank you for partnering with us to make Night to Shine a night they'll never forget!
